FIRE WARDEN REPORT

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property, with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of $200.00 fine; or imprisonment for not more than 60 days.

2. For kindling a fire by any means willfully or recklessly that shall endanger woodlands the maximum fine is $500.00 or one year's imprisonment.

3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.

4. For dropping inflammable material in or near woodland a maximum fine of $25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Milton qualified to vote in district affairs:

You are hereby notified to meet at the Town House in said district on the 7th day of March 1970, at 7:00 o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agent of the district.

2. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

3. To choose agents and committees in relation to any subject embraced in this warrant.

4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.

5. To see if the district will amend the second part of Article 9, adopted at the annual district meeting, March 6, 1954, to read:

   "secondly, those living one mile or farther from an established bus route shall be transported."

6. To see if the district will accept the recommendation of the Building Planning Committee.

7. To see what sum of money the district will raise and appropriate to retain an architect to draw plans for necessary building additions.

8. To see if the district will vote to elect a building committee consisting of five qualified voters of whom at least two shall be members of the school board. The members of the committee shall be elected at the meeting at which the committee is created, unless the district determines that they shall be appointed by the moderator.

9. To transact any other business that may legally come before this meeting.

Given under our hands at said Milton this 2nd day of February 1970.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Milton:

In September, 1969, the enrollment in the Milton Schools was as follows:

	Grade												
School	1	2	3	4	5	6	7	8	9	10	11	12	Total
Milton Mills	48												48
Grammar		51	42	42	36	39							210
Nute High							49	30	39	34	35	32	219
Special Education													15
Totals	48	51	42	42	36	39	49	30	39	34	35	32	492*

*In September, 1968, the total was 475. An increase of 17 students, however, since September, 1969 additional students have moved in and it is expected that the final total will be over 500.

TUITION PUPILS ATTENDING NUTE HIGH*

* Mr. Bouchard promoted to Principal.

As may be seen from the above, the recruitment of professional staff continues to be a problem. Teachers continue to be in short supply with no real relief in prospect. The scarcity of starting teachers from the colleges and universities contributes to the complexity of the staffing problem. It would be advisable for the district to do what it can, financially, to induce the competent teachers of the system to reamin with the district for as long a period of time as possible.

At the present time, a building planning committee consisting of Joan Tasker, Raymond Russo, Edwin Boggs, Robert Vachon and Captain Blake Booth, Ret., are meeting. This committee was authorized by the last annual School District Meeting, and was appointed by the moderator at the direction of the voters. It is hoped that the report of this committee will be assessed and evaluated by the district, in whole or in part, and that active promulgation will bring necessary and fruitful results.

State legislatures continued the trend of shifting financial burdens to the state level to relieve the overburdened property taxpayer. Vermont passed its first sales tax. Oregon tried to do the same, but it was defeated by voters. New income taxes were approved in Washington (pending voter approval), Illinois, and Maine. Income taxes were raised in 11 other states and sales taxes went up in 13 states. North Carolina became the 50th state to levy a cigarette tax and 10 other states hiked existing cigarette taxes. One wonders when the New Hampshire legislature will relieve high property taxes by accepting a greater responsibility on the state level.

You are encouraged to read the other reports in this publication so that you will be better informed about your school system and the endeavors of those who are truly interested in your children.

In closing, we would like to express our appreciation for the cooperation received from the citizens, school board, children and professional staff of the Milton School District.

Respectfully submitted,

RAMON MARTINEAU
Superintendent

CHARLES MORGAN
Assistant Superintendent

REPORT OF PRINCIPAL

To the Superintendent of Schools:

This school year has found several staff changes at Nute High School. Mr. Christopher Leary is a new science teacher. He is a graduate of St. Anselms College and coached the girls basketball team.

Mr. William Shaheen, a graduate of the University of New Hampshire is teaching social studies. Mrs. Lorraine McBride, a graduate of Plymouth State College, is the new United States History instructor. Mrs. McBride is also cheerleading coach.

Mr. Robert Emlen is one of two new members of the English Department. He is a graduate of Lake Forest. Mr. Emlen is advisor to the student council and school newspaper. Miss Julia Seeley, a graduate of the University of New Hampshire, is our other English instructor.

Mr. David Hoffman is our new school counselor. Mr. Hoffman is a graduate of the University of New Hampshire and a Masters of Education candidate at that institution.

Despite severe budgetary limitations we have been able to carry out a meaningful academic program this year. Unfortunately, the regular music program, which is a very important part of the curriculum, had to be curtailed.

I would like to express my thanks to the teachers and staff, the students and townspeople for their co-operation and support which has made this year a success for Nute High School.

WARREN EUGENE BOUCHARD
Principal

REPORT OF THE PRINCIPAL

To the Superintendent of Schools

This year the enrollment of the elementary schools increased 6% above last year's totals. The increase, coupled with the influx of students for the 1968-69 school year means that the population for the elementary system has risen a staggering 23% in the last two years.

As a result the School Board was forced to re-open the Milton Mills Elementary School for the first grade of 1969-70. Despite this, however, our facilities are terribly overcrowded. The third grade has 44 students in a room designed for half that number, and there is only one teacher for the whole class during the afternoon hours. The fifth grade has 34 students; but the room should accomodate 23. One of the fourth grade rooms used to be part of the cafeteria. There are only nineteen students in the room, but it is too small for that number. Our Special and transition class are still in the basement, and it is a shame that such an undesirable room has to be used as a classroom at all.

Only one member of last year's fine staff did not return this year. I feel that one of the primary reasons we are still able to offer the children of Milton a decent elementary education is that, despite the limitations of the physical plant, our teaching faculty has shown a very slow rate of turnover in the last three years. The teaching assignments for this year are as follows:

First grade - Mrs. Plummer and Miss Battis
Second grade - Mrs. Blanchette and Mrs. Roberts
Third grade - Miss Merrilyn Omand (a graduate of UNH) and Mrs. Perry
Fourth grade - Mrs. Abbott and Mrs. Stanley
Fifth grade - Mr. John Buckley (a graduate of Salem State)
Sixth grade - Mrs. Boggs and Mrs. Callahan
Special and transition class - Mrs. White
Remedial reading - Mrs. Harriman
School Nurse - Miss Roy
Guidance and testing - Mr. Eames

Our hot lunch program is continuing to provide an excellent hot meal for all interested students in grades 2-6. Approximately 65% of the student body participates. A breakfast program was tried for awhile last year and again in November. However, little interest forced its cancellation. Mrs. Moody and Mrs. Cheney are to be congratulated for their continued outstanding service to the school.

Mr. Lumbard and Mr. Roberts are responsible for the Janitorial duties at the two elementary schools, and both are doing their utmost to keep the physical plants in operating condition.

I would like to express my personal appreciation to all of the staff members for continuing to work together as a dedicated team in an effort to keep quality education in Milton. Also, I would like to express my personal thanks to those citizens in Milton who have shown a great deal of interest in their school during this year.

Respectfully submitted,

ROBERT C. EAMES, Principal

REPORT OF SCHOOL NURSE

To the Superintendent of Schools:

Activities of the School-Nurse Teacher

During the 1968-69 school year the following Health Services and Programs were provided:

1. Health Services
   A. Immunization Clinics
      Two immunization clinics providing Measles, oral Polio, Smallpox, DPT, and DT vaccine administered by George Quinn, M.D.

   B. Dental Health
      1. Pre-School Dental Examination
         Forty-seven pre-school children were examined by a registered dental hygienist and referrals were made as necessary.
      2. Dental Clinic
         A dental cleaning and application of topical fluoride by a registered dental hygienist to grades 1-4 and the special class. The benefits of this program are long-range and continuation of the program in the future will include grades 1-6 and the special class.
      3. Matching Fund
         Money raised locally is matched by the State and administered via the N.H. Dept. of Dental Health. Arrangements for this program for the 69-70 school year are completed with the Milton Woman's Club as the local agency providing the funds. Children are selected for the program on the basis of the urgency of the dental problem and/or financial situation.

   C. Tuberculosis Screening
      All first graders were screened and no positive reactors were found. Grades 1&7 will be tested in 1969-70.

   D. Pre-School Vision Screening (Amblyopia Screening)
      Forty-six pre-schoolers were tested for Amblyopia: one child was referred for further testing and two told to continue present treatment.

E. Vision Screening
Four hundred and two students were screened; sixty-one were referred for further testing and forty obtained treatment. A Titmus vision tester was obtained from the Wakefield Lions Club and will facilitate a much less time-consuming method of vision screening in 1969-70.

F. Hearing Screening
One hundred and seventeen students were screened: twenty-one were retested and two were referred for further evaluation.

G. School Physicals
Two hundred and eighty-one students were examined by the school physician with two defects reported and treated.

H. Heights and Weights
Four hundred and fifty-two students were inspected.

I. Referrals to:

Child Guidance Clinic	5
Family Doctor	77
Dentist	64
Dentist (Emergency)	15
Pupil Inspections	613
Exclusions	100

2. Health Education
The Nurse participated in direct classroom teaching in the following areas:

A. Dental Health Education
1. Mrs. Herberta Stark, state dental hygienist, visited grades 1-6 and the special class showing film strips and demonstrating proper care of the teeth.
2. Grades two and the special class were given Crest products and involved in a special dental program sponsored by Crest.

B. Mother-Daughter Cancer Education (American Cancer Society)
Senior girls and the mothers of all senior students par-

ticipated in a program to stimulate interest in the early detection of cancer through an annual health check-up.

C. Smoking
Grades 6&7 participated in a lecture and discussion following films on smoking and related diseases.

D. Drugs and Alcohol
Mr. Jeffrey from the N. H. Dept. of Alcoholism lectured and discussed with the senior class specific factors related to alcohol and drug addiction.

E. Medical Self-Help Training
Senior Home Economic class was instructed in the fundamentals of caring for the injured. All seventh grade students will receive Medical Self-Help Training in the 69-70 school year.

F. American Red Cross First-Aid Course
A Jr. ARC First Aid Course was offered to the eighth grade.

G. Artificial Respiration
Demonstrations of mouth to mouth artificial respiration with the mannequin Recussianne, were presented to the Senior Home Economics class and the Biology classes.

H. Other areas involving direct classroom teaching:
1. Heart and circulation
2. Lungs and respiration
3. Personal Hygiene
4. Social Problems and diseases
5. Pre-natal care

I. Health Resource Material -- available on these and other health problems.

J. Physical Education
Girls' fitness class three times per week.

The Nurse represented the School Health Department at the following Agency sponsored programs:

N. H. School Nurse Association Meeting
Health Careers Council
American Red Cross, Standard, Advanced and Instructors' Course (35 hours)
School Nurse Seminar (conducted by psychiatric Nurse consultant to the Child-guidance Clinic)
Maico Audiometric Refresher Course

I wish to thank the Milton Woman's Club and Spaulding Fibre Co., Inc. for their financial support of the dental programs and particularly the mothers who have volunteered their time in transporting students to the dentist. Much time is involved in the running of the dental program and the chairman of the Mother's Health Council and the volunteers are very much appreciated.

Respectfully submitted,

PRISCILLA ROY, R.N.
School-Nurse
